# Best of Holland & Belgium Cruise

Utrecht, Netherlands

**Utrecht, Netherlands.** Enjoy a scenic cruise through the IJsselmeer to Utrecht, the religious center of the Netherlands since the 8th century and a far-reaching city boasting a medieval old town, canals and a beautiful Gothic cathedral, some of which you may see on your walking tour, which includes a visit to the whimsical collection of automatically playing musical instruments at Museum Speelklok. Alternatively, marvel at the largest castle in Holland, De Haar on a walking or biking tour. Straight out of your fairytale dreams, this castle inspires awe with its turrets, moats and suspension bridges as well as its luxurious interior.

# Best of Holland & Belgium Cruise

Hellevoetsluis, Netherlands

**Hellevoetsluis, Netherlands.** Enjoy a scenic morning cruise through the delta before arriving in Hellevoetsluis, an island metropolis of South Holland. During your tour of this medieval harbor town, you may see enchanting sites such as its iconic working De Hoop windmill and witness the charming wharf houses. Later in the day, you may discover the intriguing history of how the Delta Works, a unique storm surge barrier, came to be while visiting the Flood Museum. More than half of the Netherlands lies below sea level and the Delta Works were built to prevent a recurrence of the 1953 flood disaster. Alternatively, visit a traditional Dutch flat-bottom boat and learn about the history of this unique type of vessel. For those who prefer an active adventure, pedal from Hellevoetsluis, with its cobblestone streets and charming harbor, across the Haringvlietdam and back.

# Best of Holland & Belgium Cruise

Ghent, Belgium

**Ghent, Belgium.** There are several choices of excursions in Ghent, depending on your interests. Stroll through the Capital of East Flanders, learning about its unique history on your walking tour, or pedal through the spellbinding town on a guided bike tour, or spend your afternoon at Ghent's moated Castle of the Counts, which boasts an eye-catching design as well as a ghoulishly interesting collection of medieval torture devices

# Best of Holland & Belgium Cruise

Bruges, Belgium

**Bruges, Belgium.** Alternatively in Ghent, visit Bruges, one of the best preserved medieval cities in Europe, on a full-day excursion that includes the renowned Church of Our Lady, home to the beautiful Carrara marble Madonna and Child sculpture by Michelangelo. If you prefer a shorter excursion in Bruges, visit the town later in the day on an afternoon tour.

# Best of Holland & Belgium Cruise

Brussels, Belgium

**Brussels, Belgium.** Explore Belgium's captivating capital on your guided walking tour or pedal through Brussels on a guided bike ride that takes you into Laeken Park, where you will see the unique architecture of the Far East Museums as well as the jaw-dropping iron molecule sculpture known as the Atomium. Alternatively, delight your palate with a very special Belgian chocolate tasting. In the afternoon, visit Gaasbeek Castle, a 13th-century fortified castle built to defend the Duchy of Brabant against the County of Flanders.

# Best of Holland & Belgium Cruise

Antwerp, Belgium

**Antwerp, Belgium.** Explore Belgium's trendy "City of Diamonds" on a walking tour where you'll see Antwerp's Steen Castle, Grote Market and Brabo Fountain, along with the UNESCO-designated Cathedral of Our Lady. Active travelers may prefer instead to bike through Antwerp. Later in the day, beer enthusiasts will appreciate a tasting of the local brew while foodies may prefer our excursion to sample some of Belgium's culinary delights such as its fresh and fluffy waffles. An afternoon bike tour is also available for those who prefer to get their heart beating later in the day, and it includes an opportunity to visit the Red Star Line Museum, highlighting the historic shipping line responsible for transporting three million immigrants to America.

# Best of Holland & Belgium Cruise

Dordrecht, Netherlands

**Dordrecht, Netherlands.** Established in 1220, Holland's oldest city was virtually destroyed by a devastating flood in the 15th century that essentially created the city's wetlands. Learn more about Dordrecht's fascinating history on your walking tour, or visit Rotterdam, the "Gateway to Europe," as well as Delfshaven, where, on August 1, 1620, the Pilgrim fathers departed on their epic journey aboard the Speedwell. Stopping in Southampton, many then boarded the Mayflower and concluded their journey at Plymouth Rock in Massachusetts. If you prefer to venture off the beaten path, go on an architectural bike tour through Rotterdam. In the afternoon, venture to the UNESCO World Heritage Site of Kinderdijk, a lovely village renowned for having the country's greatest concentration of windmills, all dating from the 18th century. You may also pedal past the windmills from the seat of a bike.
